

DM SEA LOGISTICS

DM Sea Logistics provides inport and outport sea transportation solutions. Our range of services includes boat launches, cargo deliveries, disposal, and crew change management within or outside the Singapore port limits.

More details about the services we offer is available here:
dmgroupservices.com/services/sea-logistics-services/

THE FLEET

Our fleet of 12 boats are able to meet the requirements of the most demanding customers in terms of capacity, speed, and safety. For long term contracts, we can customize our boats to meet specific client needs.

A PART OF DM GROUP SERVICES

DM Sea Logistics, along with DM NDT and Dive Marine Services, is part of an umbrella organization - DM Group Services.

We now offer a full stack of inspection, repair, and maintenance services - underwater and at height - as well as logistics support, and rope access training.

We are headquartered in Singapore and are able to offer services through our network of affiliated companies in South East Asia and on a global scale.

More details are available here: dmgroupservices.com
